Summary

Experienced Web Developer with expertise in Vue.js, Nuxt.js, React.js, HTML, CSS, and JavaScript. Proven track record in developing high-quality websites, including e-commerce platforms Ed-A-Mamma (edamamma.com) and DecoFetch (decofetch.com). Completed 1 year at greenhonchos solution pvt. ltd, building React-based e-commerce solutions and Vuejs based e-comm apps. A fast learner and enthusiastic to learn new things about computer programming to enhance my skill set.

Education

Bachelor of Computer Application — IGNOU, Delhi — 2022

- Relevant coursework: Web Development, Data Structures, Object-Oriented Programming, System Design, Software Development

Work Experience

Frontend Developer — Incipient Infotech — Dec 2022 - Present

- Implementing features for users to select photos and frames, facilitating admin tasks for printing and framing.

Frontend Developer — Greenhonchos Pvt Ltd — Dec 2022 - Nov 2023

- Led development of Ed-A-Mamma e-commerce website, enhancing user experience and implementing responsive design.
- Collaborated with a cross-functional team to build Manish Malhotra's website, incorporating innovative features.
- Created a dynamic carousel module, showcasing images and improving user engagement.
- Developed a wishlist feature, boosting customer interaction and retention.

Freelance Web Developer — DecoFetch — May - Nov 2022

- Created and launched an independent e-commerce store using React.js for DecoFetch.
- Demonstrated skills in frontend development, UI/UX design, and seamless transactions.

Projects

Ed-A-Mamma E-commerce Platform (edamamma.com)

An online store offering a diverse range of products. Leveraged Vue.js and Nuxt.js for frontend development and integrated responsive design principles.

DecoFetch (decofetch.com)

A curated home decor items platform. Built with Vue.js, Nuxt.js, and RESTful APIs, showcasing my expertise in frontend development and UI/UX design.

Personal Shop

An independent e-commerce store that I developed using React.js. Demonstrates my skills in creating engaging user experiences and seamless transactions.

Skills

- Vue.js, Nuxt.js, React.js, Next.js, HTML, CSS, JavaScript
- Frontend Development, UI/UX Design, Responsive Design
- RESTful APIs, Version Control (Git)

Interests

Web Development, UI/UX Design, Technology Trends
